Letters and Emails

Another very enjoyable evening was had by all, at this years Pudding Club.

This event first started in 2014 as a one off fund raiser for the Church and Village Hall. But has proven to be as popular as ever ; so here's to next October.

Grateful thanks to all the donations of puddings, These together with Raffle prizes and help makes this such a special event . With no outgoings the total raised was £741 with some of the money coming from Tim conducting the auction which raised £81. Well done Tim.

Also a big Thankyou to Gill for supplying all the China.

Thankyou everyone for the support you give to Village events.

Notes from the Editor:

Welcome to the last issue of the year 2017.

I hope you all have been reading The Link with much interest . I know that I have enjoyed being the editor (so far).

I am always looking for inspiration , interesting facts, friendly banter, letters from villagers, ideas, photos, local history hints and tips and what's on information.

So should you feel you can contribute or there is something you feel needs inclusions..... Shout up.

With a bit of luck and guidance of the readers The Link will remain a MUST READ for the year 2018

P.s. Don't forget that ALL mistakes are deliberate !

THANK YOU!

Roy Freeman would like to thank everyone who came to his birthday tea party at the Lampet Arms.

Thanks to Phyllis and Des for the food, to Roy, his brother and Wendy for the music- which made it.

Also thank you to our children and grandchildren who arranged it all- the best birthday ever!

Thank you to Des for the snowflakes and to everyone for their donations which came to £160 and will be split between the Village Hall and the Church.

An Evening with Sam Luxemburg.

Thursday 7th December @ 7pm Tadmarton village Hall.

For those who have not yet registered their interest, there are still some spaces available.

Sam emigrated from England to Australia in August 1963 because he was offered a job in computer programming. This was when computers were still very new, cost millions of pounds, and were too big to fit into an average living room!

However, in the mid-seventies, Sam had a revelation moment, and switched from working with his head to working with his heart.

Sam studied, and subsequently qualified as a psychologist, and for the last 35 years his career in this field has included counsellor, teacher, management coach and organisational consultant.

Sam Luxemburg retired last year after an active career in psychology in Australia. He is spending a year in Europe and has now fallen in love with Oxfordshire and is staying in Lower Tadmarton.

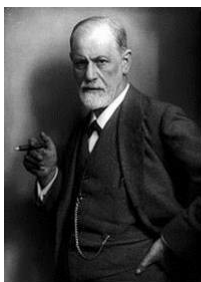

Psychoanalysis, behaviourism and counselling are three flavours of psychology.

How is it that they are all so relevant, and yet all so different? Note that they are all created by men.

Why no women, especially when the majority of psychologists are female?

Further developments have included PTSD, EMDR, CBT, REBT and a lot more alphabet soup!

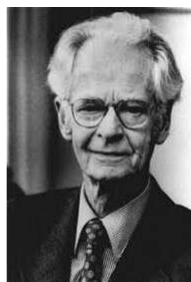

THREE MEN WHO CHANGED PSYCHOLOGY

Sigmund Freud

Carl Rogers

BF Skinner

Sam's particular interests include the work of Carl Rogers, plus mindfulness, self-awareness and empathy.

As light refreshments and canapés are provided, please register your interest in advance with;

Tadmarton Charities

As the Village Appraisal highlighted the fact that many people in the Village knew little about Tadmarton Charities I thought it would be helpful to give a little background especially as new people move into the village.

Tadmarton Charities is an amalgamation of the Poor's Land Charity, the Macdermot Charity and the Macdermot's Educational Charity. The Poor's Land Charity arose from the Inclosures Act of 1775 when a small area of land, which is now part of Tadmarton Golf Course, was made available to help the poor and needy of the parish.

Subsequently this land was swapped for the 16 acres which the charities now own. This comprises of 2 fields which run down from the golf course road and up to a field owned by the Banbury Ornithological Society.

The 16 acres of land provide a rental income which makes up the majority of the income distributed to recipients in the parish. The other main investment is a holding in M & G Charifund originally of £12,500 which were monies received for granting a right of access to the Banbury Ornithological Society land back in 2005. This holding does not distribute income and with the addition of £3,000 from our Building Society account was worth £31,071 at the date of the last accounts (Dec 2016).

The Trustees are strictly bound by the trust deed which allows us to 'relieve either generally, or individually, those residents of the Parish who are considered to be in genuine need, or suffering hardship, or distress'. It is interesting to look back and see that in 1867 the charity delivered coal to 70 families who were deemed to qualify.

However there are still people and families who are in genuine need and it is the trustees job to allocate funds to them. They do of course rely on people applying for themselves or nominating others.

The Trustees would now like to hear from any person who feels that they, a neighbour, friend, or family member, might qualify for consideration for the 2017 distribution.

The name, address and brief details should be provided to the Clerk to the Trustees at the address given below. Those who have always received help from the Charity will automatically qualify and need not reapply.

Each spring a group of villagers descend on the Fuel Allotment (Common Land) south of Swalcliffe Grange for a few hours on Sunday mornings.

Armed with loppers, secateurs, trimmers and saws we remove fallen trees and thin out the undergrowth, allowing established trees to flourish.

We have made great progress over the last few years, and are planning to do some tree planting this year in some of the areas that we have opened up.

If you have not been involved in this before and would like to find out more

please contact me for further details.

We will be having working parties out between January and March 2018, meeting at 9 a.m. at the top of the woods and finishing by about 12.30 p.m.

The commitment is as great or little as you wish and all volunteers will be welcomed.

The planned dates, weather permitting, are:

Sunday 14 January
Sunday 28 January

Sunday 11 February
Sunday 25 February

Sunday 11 March
Sunday 25 March

Sibford School Entry Days

Sibford School will be hosting two Entry Days for pupils entering Year 7 in September 2018.

The days, which are designed to offer prospective Year 7 pupils a warm welcome to the school whilst assessing their ability to thrive in an academic environment, will take place on Wednesday 24 and Thursday 25 January.

Toby Spence, Head of Sibford School, said: "We introduced the idea of group Entry Days last year and it proved so popular that we are repeating it again for 2018."

During the two days, children will undergo assessment and join in with a number of fun activities alongside Sibford's current Year 6 pupils.

In addition, those who are interested in

boarding or flexi boarding will be invited to stay overnight in the boarding houses.

"This is an ideal opportunity for children who will be joining Year 7 in September to meet with their peers and start making new friendships," said Toby Spence.

"It doesn't mean that we can't accept registrations for Year 7 entry later in the year, as, indeed, we do for children joining the Junior School, Sixth Form or in other year groups.

"However, because Year 7 is such a big intake, it does help to give the pupils a head start if they can meet each other before hand."

Anyone wishing their child to attend the Entry Days in January should contact the school on 01295 781203 to arrange registration.

Swalcliffe Harvest Supper

It was an ambitious plan, yet the idea of holding the annual Harvest Supper in the church itself - for the first time perhaps in hundreds of years - became reality on the evening of Saturday 28th October.

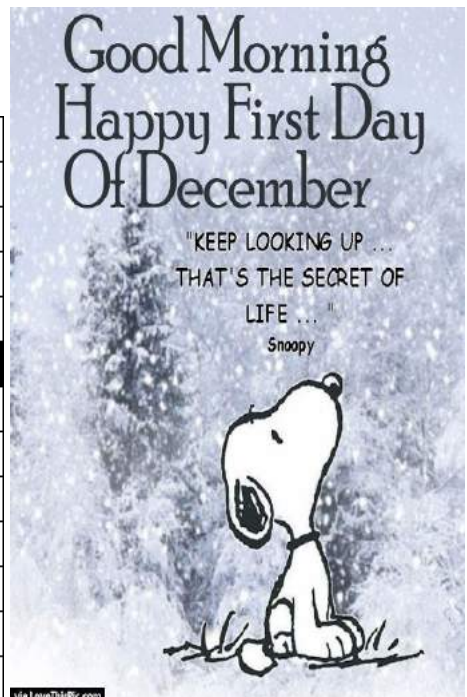

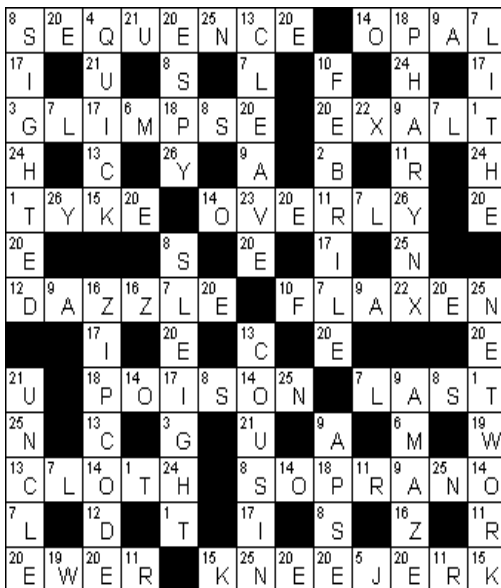

Now that the church has toilet facilities and a servery kitchen, it was possible to seat 95 villagers at tables down the aisles and treat them to a magnificent four-course candlelit supper.

Three local farmers - the Coopers, Taylors and Sancroft-Bakers - again generously donated the cold meats for the carvery and a large number of volunteer cooks provided the delicious parsnip soup, roasted vegetables, jacket potatoes, fruit crumbles and cheeses. There was a short musical interlude from Misha Kovalovs, a Latvian guitarist and singer, and a raffle, with gifts donated by villagers (special thanks to Katie Loxton) boosted the total fundraising

A BIG thank you to everyone who contributed to make it a magical, memorable evening.

There was a lot of hard work behind the scenes (Kate Foley deserves a special mention here) to transform the church into a 100 seater 'restaurant', but we did it and an impressive £1,300 was raised, all of which goes towards the maintenance of our lovely church building.

PARCHMENTS
of
OXFORD

November started with a bang, quite literally, with the spectacular firework display which was part of our annual Bonfire Night celebrations. It was a real pleasure to be able to welcome so many of you to this event which was organised by our amazing and dedicated PTA.

During the second half of the Autumn Term, lots of exciting topic work has been taking place. The children in Acorn and Willow Class have been thinking about 'People Who Help Us'. We have invited lots of interesting visitors into school to talk about what they do, including the Mayor and Mayoress of Banbury, an aeroplane pilot, a teacher of the deaf, a small animal vet, a nurse and an optician. The children have been able to ask all sorts of questions and have been inspired to think both about what they might like to be when they grow up, and ways that they can help others.

In KS2, Maple Class completed a unit of work linked to Remembrance Day to bring to life for our children just why it is so important that we mark this day to remember those who have given their lives for their country. The class explored what life was like in the trenches for soldiers in the Great War, even building a trench in their classroom as an inspiration for their writing.

Heidi Greenhalgh (Year 5) wrote a very effective opening paragraph: "Dear Diary, I have been awakened by the horrific sound of continuous screaming. I felt angry but my anger suddenly turned to sadness. My immediate response was to wake everyone up but, at that moment, I simply didn't think I was doing the right thing. I needed a minute to think. I only came yesterday!" Heidi then went on to write an eloquent and moving account of her first days as a soldier in the trenches.

To find out more about the school, our pupil's achievements and all the wonderful things that go on here, please take a look at the school website at www.sibford-gower.oxon.sch.uk

November 2017

The Warriner School and Farm Pumpkin Family Fun Day

Saturday 28th October saw the first (hopefully of many) pumpkin day on the farm. There was lots going on for families to enjoy with pumpkin carving, face painting, a bottle stall, jousting, an art stall for children to make scary stones and even scarier leaves! There were also arts and crafts stalls for visitors to purchase a range of goods from hand-made chocolates to health and beauty products. There was a fancy dress competition which was won by a wonderful witch, while the fabulous refreshments stall with tea and lots of home-made cake and of course pumpkin soup, did a roaring trade.

Being based on the farm there was also the opportunity to meet the animals which is always a favourite for children of all ages. The atmosphere was very lively and the weather was very good to us with the sun shining for most of the afternoon. Thank you to all who attended and to our staff and students and other volunteers for offering to help out as these fun days cannot happen without them.

You will see from the photo that some of the staff, including the Headteacher on her birthday got into the swing of things by dressing up!! We managed to raise an amazing £1200 on the day so if you could not make it this time look out for the next one and come and join us for some family fun on the farm.
